MEMORANDUM FOR THE HEADS OF DEPARTMENTS AND AGENCIES

The House Committee on Post Office and Civil Service is about to reconsider pay legislation which affects top positions in the executive branch. It is contemplated that the positions to be allocated to Levels I, II, and III of the executive pay schedule will be listed by title in the bill. There is attached a list of the positions which the President has approved for inclusion in the legislation at the three levels. The President has asked me to inform you that he expects department and agency heads and their subordinates actively to support the decisions here reflected.

Under the earlier bill it was contemplated that the President would be authorized to distribute the remainder of the top positions in the executive branch among Levels IV, V, and VI of the executive pay schedule. The Administration now is recommending that those positions be consolidated for allocation into two levels. If the Congress accepts this recommendation, there will be no sixth level in the executive pay schedule.
